

Dear Sir or Madam,

We, the students at All Saints Catholic Primary School, are looking for a new headteacher to come and work with us at our school. We would like our new headteacher to be someone who:

- Is adventurous and likes the outdoors
- Allows us to have nice trips out of school
- Is fair, friendly and firm
- Is a kind and generous person who will support us as well as our community
- Offer interesting and exciting assemblies
- Keeps our students looking smart
- Continues to improve our play areas and add to our resources
- Continues to improve our play areas and add to our resources
- Listens to and understands the students' feelings and opinions
- Encourages us to shine on our own but shine brighter together

If you join us at All Saints, you can expect respectful and kind-mannered children who are always thoughtful and hard-working.

We are creative, independent, resilient, communicative and curious students and we look forward to welcoming you to our school, church and community.

Yours Sincerely,

The Pupils at All Saints Catholic Primary School
