This is a great opportunity for a strong and effective leader to make a significant impact at a school which places all its children at the centre of all it does.

- is skilled in school improvement strategies, well-organised and firmly solutions-focussed
- will maintain the caring, respectful and inclusive ethos of our school

- works flexibly in partnership with staff, parents, governors, children and the wider community
- holds high expectations of our children's achievement and behaviour

In return, we can offer:

- a successful, thriving school with a strong Catholic ethos
- happy and enthusiastic children who enjoy learning and who have a pride in our school
- a fabulous staff, who work together to achieve our school mission
- a supportive Governing Body
- excellent opportunities for career development in a school committed to supporting you as a leader

Our school is fully committed to safeguarding and promoting the welfare of our children and we expect all staff and volunteers to share the same commitment.
