News

Dear Parents

This will be the final newsletter of the year, though there will be a blog that I will write which will go up on the website by the end of the week. School closes for the summer break on Friday 21st July at normal school time. We re-open for pupils on Tuesday 5th September (Monday 4th September is an INSET day for staff).

End of Year Report Summary

The report summary comes home today along with your child's progress book. As always, it's lovely to see just how much the children have developed in one year. If you wish to discuss the report with your child's teacher, then please arrange this on Wednesday 19th July. Thanks to all the staff who have worked hard in preparing the reports. Year 6 pupils have had the results of their national tests and we're extremely proud of their achievements. Overall, it was a good improvement on last year's results. I would advise caution to parents though – these national exams and test results are still in their early stage of development and have dubious reliability (we have sent back several test papers where marking has been incorrect).

All Saints 'Big Art' Project

We are delighted that we have an artist-in-residence with us for the summer and autumn. She will be working with all children in designing and making a variety of creations which will go in the front of the school and reflect what it means to be a pupil at our school.

Parent Survey

Thanks to the 61 parents who have returned the online survey – that's a good response! We'll do another text with the link this week and then over the holidays put together the results to share with you. The more that respond, the more accurate the survey so keep them coming in.

Au Revoir!!

As mentioned recently, we say 'au revoir' to Mrs Molyneux who leaves us this week to take up a position as Deputy Headteacher at a Catholic school in Chorley. Joanne has been a great servant to the pupils at All Saints over many years and we will miss her greatly. It's not goodbye, but 'au revoir' ('until we see you again'). Also, we wish Mrs Georgiades a fond farewell as she moves back to Cyprus with her husband. 'Avrio!'

Musical Evening

Well done to all our pupils, both past and present, who performed with such joy and talent on Wednesday evening. A great night. Footage from the performance will be available shortly on the school's YouTube channel.

Prize Assemblies

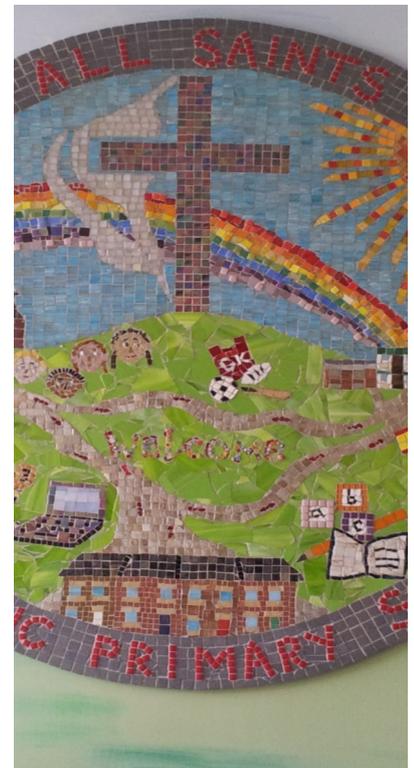

Congratulations to all the pupils who are receiving prizes on Monday. The Infant assembly begins at 9.30am and the Junior assembly at 2pm. Mr Bill Bygroves from the Red Neighbours initiative will be our special guest.

Healthy Tuck Shop

This group have run this business very sensibly throughout the year and have also made a 'profit' – well done! They will treat themselves to a lunch at Fazenda restaurant on Monday – we now need new business-children to take on the challenge of running this in September. Volunteers required!

Dinner Money and Levy

Would you please send in any dinner money and/or levy money as soon as possible in order to clear all arrears before end of term. Thank you.

'Au Revoir' Year 6

Year 6 begin a week of goodbyes with several events planned. Their Leavers' Mass is on Tuesday 8th July at 10am in church followed by a party and their special assembly is on Thursday 20th July at 2.00pm. Their parents have organised a further party on Friday 21st July from 6.00—9.00pm at the old Stanley Arms on Prescot Road. The cost is £15—please see Gemma Ramsdale or Lorraine Webster on the yard. Following their successful businesses (the Fiver Challenge) they have voted to spend the profits on a giant inflatable assault course! This came today. Have a wonderful week Year 6!

L'Arche

5R visited L'Arche today. L'Arche is a community where people with and without learning disabilities live and/or work together in the community. It focuses on community and friendship and helps to create a sense of belonging in people with disabilities and learning difficulties.

Fr Steve

Congratulations to Fr Steve who commemorated the 30th anniversary of his ordination on Tuesday this week. What an achievement! Here's to the next 30 Father!

Newsletter and Facebook

This may well be the last newsletter which is given out as a paper copy - we are hoping to go to e-mail and website in September with a few printed in the school office for anyone who would like to collect them. Don't forget the Parent Facebook Group is set up to copy over communications and messages to help out with those of you who have busy lives. It's not a forum for suggestions, complaints or viewpoints - for those go through the parent survey, Ofsted's ParentView or just get on the phone and call!

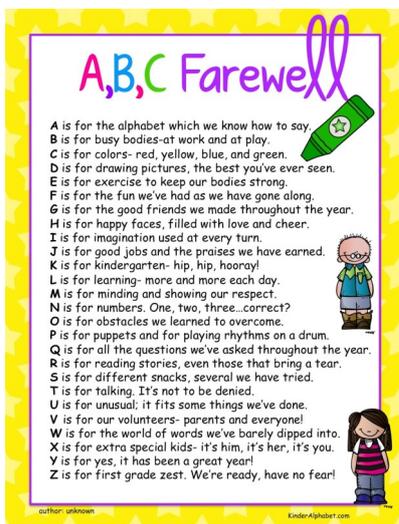

Headteacher

As I explained in detail at a Parents' meeting back in January, I will be leaving on a sabbatical from September for the first half of the school year; I will be involved in educational work both in the UK and in other parts of the world. I really hope that you can support Mrs Hartley and Mrs Maguire who will act up in my absence. Parental support is vital for staff and pupils, especially at the moment in times of teacher shortages, budget cuts and incessant changes to policy.
