News

Dear Parents,

Next week is the final week of this half-term. We are back open for the pupils on Monday 5th June. Don't forget that during the next half-term, we have a staff training day on Friday 23rd June and the school will be closed for pupils. This term will be the last term when printed newsletters will be used and sent home. From September they will go electronically to your e-mail or through the website for you to download.

First Holy Communions

Congratulations to the members of Class 4S who made their First Holy Communion last Saturday. We ask you to remember them and Class 4T who make their First Holy Communions tomorrow, in your prayers.

Tea and Tunes – advance notice

Our second 'Tea and Tunes' concert will take place on Wednesday 12th July at 4pm. This time, we are opening this up to all families of children from Reception to Y6 who either play an instrument or sing in the choir, or indeed any families interested in music!

Absence from School

It is a parent's responsibility to contact the school office on the first day of their child's absence from school explaining why the pupil will not be attending. This must be followed up with an absence letter on the first day back at school.

Currently staff are spending too much time making phone calls to establish why children are missing from school. This is costly for the school in terms of time and money.

If no reason is provided for absence, then it will be recorded as unauthorised which may lead to a penalty notice or court action. We anticipate your co-operation in this matter.

Fidget Spinners

Due to the increasing numbers of these toys being brought into school and the subsequent distraction they are causing, as with other toys, we ask that they be left at home.

Year 3 Stone Age Projects

All Year 3 children have now received their end of topic projects to be completed and returned to school on Monday 5th June. The children are very excited about them and we would like to thank you in advance for your continued support. Any questions please contact Year 3 staff.

Crossing Patrol

School pays for two crossing patrols (lollipop men/ladies) on Walton Breck Road to assist our families safely across a busy road. However, it has been noticed that several families choose to cross between the two. This is very dangerous as there is a lot of traffic at the beginning and end of the school day and sets a bad example for our pupils. Please make sure you cross with the patrols.

Year 2

Well done to the Year 2 children for finishing their special booklets. They have worked extremely hard and Mrs Seasman and Miss Seddon are very proud!

Y6 to WW1 Battlefields

As mentioned at today's meeting for parents, all payments (total amount £75) must be in by next Friday 26th May. All relevant information is available on the parents section of the website. Passports and medical cards must be in school by Friday 9th June. Thank you.

Y4 Colomendy

A reminder that all outstanding payments for Colomendy should be paid as soon as possible. Thanks to parents who have already paid.

Holidays in Term Time

We've had several notifications of holidays being taken during term time during May, June and July. Please be aware that, as these are unauthorised, they will be looked at by our attendance officer and the LA truancy team, and therefore may lead to further action – a phone call, a letter, or in some circumstances, a fine. It's therefore helpful to have a detailed letter to explain the exceptional circumstances of the holiday so that we can more fully understand the reasons.

Running

Good luck to those who are participating in the Rock n Roll Marathon weekend next week – there's a special 1k race for children on the Saturday. If you are not aware there is also a special Junior Parkrun on Sunday mornings at 9am too in Stanley Park. Our own Mile Run continues each week.

Staff vs Pupils football match

On Thursday 25th May, the Y6 football team will be challenging the staff to a football match. It kicks off at 3:30pm at ASCC. All are welcome to come and watch.

After School Clubs

There will be no after school basketball on Thursday 25th May as Miss Bradburn is playing in the staff football match

Football

Well done to all the pupils who claimed the North Liverpool Primary Schools' Trophy this year and then narrowly lost out to Much Woolton, winners of the South section, on Thursday. With the Anfield Mini-League trophy already won, it has been a great season. A huge thanks to Mr Macleod, staff and parents who have supported the children through so many fixtures – we have played more than any school in the city. Great effort everyone!

Thursday assembly – Disability Awareness

On Thursday, pupils will be visited by John McCorkill, who has multiple sclerosis, in class and during assembly. John will talk to the children about living with disability.

Reception

R1 have a busy timetable next week when they visit the forest school on Monday and Liverpool
