POSITION OF HEADTEACHER

Dear Applicant

Thank you for interest in the position of Headteacher here at All Saints Catholic Primary school. We are very proud of everyone involved in the life of our school and the way we carry out, in all areas, the ethos of our Catholic faith and the school mission statement:

'We shine on our own, but we shine brighter together'

This statement is put into practice in the way that children, staff, governors, parents and the wider community come together to enable individuals to shine but also collectively to shine as a beacon of learning, light and faith in the midst of our community here in Anfield.

As you will be aware we received an Outstanding Ofsted report in 2015. We were rightly delighted with that and we would wish our new Headteacher not only to continue the wonderful work of the children, staff, governors and the wider community but also to develop and enrich the education and life of our children and the ongoing development of the staff in our school. We have a clear commitment to serve the needs of all our children and are proud of our inclusive approach, which includes the SEND resource base and Children's Centre.

We hope that you will come and visit our school and see, first hand, our wonderful school. Visits to the school can be arranged through the school office please contact Miss Teresa Tierney on 0151 263 9561.

Further information is also available on the school website www.allsaintsanfield.co.uk where the application pack can be downloaded.

I look forward to reading your application.

Yours sincerely

Father Steven Maloney
Chair of Governors.
