April 2018

Dear Parents,

Hola!

Welcome back to an exciting and busy Summer term!

HOMEWORK

Please ensure your child reads daily. It is very important that they further develop their reading skills and vocabulary.

Spelling homework is also given out on a Monday to be completed for Friday's spelling test.

There will be exciting Spanish topic homework sent home this term to be completed by Monday 4th June.

MUSIC

4T and 4L will continue to have their woodwind music lessons on Tuesday afternoons. Please support your child's musical development by encouraging them to practice at home.

PE

Both Year 4 classes will be having their LSSP coaching session on Wednesday afternoon. Please ensure your child has their PE kit for this day only.

To help us prepare for our Spanish launch day on Friday 4th May we are asking if you could provide a Spanish themed costume for your child to wear. Please can you send your child dressed up on the day.

There will also be a trip to Manchester airport to support our learning. There will be a letter to follow regarding this trip, giving more details.

Dates for your diary
4/5/18 Year 4 Spanish launch day

12/5/18 4L Holy Communion

19/5/18 4T Holy Communion

Creative Curriculum

This term our creative topic is Spain. We will be linking this topic with work in Art, Dance, Music, D.T., Geography and History. We would be grateful if you could support your child's learning in this topic by sharing any holidays,

knowledge or books you have about Spain. Please see the back of this newsletter for an overview of what the children will be studying.

To launch our Summer Year 4 topic, Viva Español, we are going to have a special day on Friday 4th May.
