SUMMER TERM 2018

WELCOME BACK

Dear Parents and Carers,

This week we have welcomed the children back after what sounds like a very exciting Easter break. The children have been eager to share their news and as a result have done some fantastic writing this week. As the Summer Term progresses we will be building on our writing skills in preparation for year one. This can be supported at home by letting your child help to write shopping lists, birthday cards and notes.

Staffing in both Reception classes will remain the same for the Summer Term with the addition of Mrs Higgott, who is returning maternity leave to support both classes and Mrs Aitken, our 'Schools Direct' trainee teacher joining R2.

Mrs Marsden and Miss Freckleton

WHAT WE ARE LEARNING THIS TERM

Throughout the Summer Term we will continue our daily phonics session to recap and embed both phase two and three sounds. This can be supported at home through reading with your child daily.

Our R.E. topics for the coming terms will look at 'Good News' and 'Friends'.

We will continue to build on our growing maths skills of number, space, shape and measure.

As part of the early years curriculum we plan the learning to follow

the children's interests, so as part of this R1 are going to start exploring dinosaurs, whilst R2 continue building their 'Bug Hotel' and extend their interest in construction.

We will also be venturing out of school later in the term with an educational visit however, more details and a specific date will follow once arrangements have been finalised.

In P.E. we will be focusing on athletics and relay races in preparation of Sports Day later this term.

Tapestry Online
Learning Journals

Please see your child's class teacher if you are unable to access the Tapestry system.

Please Remember

- **Book bags and reading books need to be brought into school every day. Speak to your child's teacher if you require a replacement.**
- **P.E. remains on a Wednesday morning so all children need their kit.**
- **Please label all of your child's uniform.**
- **As the weather starts to get warmer please make sure that your child has sun cream applied each morning and a hat to wear when outdoors.**

Wanted

Do you have any old pans or kitchen equipment that you are able to donate to our mud kitchen? Also any boxes, tubs, tubes or containers that we could use for 'Junk Modelling'?

Thank You.
