News

Dear Parents

We hope you all enjoyed the warm Bank Holiday weekend! If we have similar warm weather over coming weeks, please send in your child with a cap and suncream if necessary. Let's hope we have a lovely summer.

Community Event

Thanks to everyone who participated in the community event on Friday. Lots of plants were planted, weeds weeded and pebbles painted. That's the first stage in improving our garden areas for the pupils, whether for science, environmental studies or forest school activities. Look out for the next one!

Parents' Meeting

All welcome to the next parents' association meeting on Tuesday at 6pm in school. Bring along your ideas!

First Holy Communions

Y4 are in our prayers as the children are about to receive the sacrament of the Eucharist. We start with Y4L who celebrate at Mass on Saturday at 10.30am in our parish church. Have a lovely day everyone.

Receptionist

Welcome to Mrs Stopforth who joins our admin team as a receptionist and will become a familiar face in our main office. We wish her luck in her new position and a long and happy association with All Saints.

Y6 National Tests

Next week, Y6 sit national tests in reading, writing, spelling, punctuation and grammar, and mathematics. These tests are meant to give parents an idea of how well their child is performing in these subjects compared to all children nationally of the same age. Of course, there is a lot more to an education than these areas of learning, so it only tells part of the story. Nevertheless, we have tried to prepare the children as well as possible for the tests without it becoming an obsession. If they can do their best, that's good enough for us.

Y1 and Y2

At the same time, staff are preparing children in Year 1 and Year 2 for national standardised tests also. They're doing so well and we're very proud of them. To think, in Finland, seen as the best country in the world for schooling, there are no standardised tests until a child turns....18!

Mobile Phones

Would parents ensure that children do not bring mobile phones into school. Children who do bring them in are told to hand them in to the office until home time, but given the number that are given in and the similarities in hand sets, this would mean labelling phones which staff simply do not have time to do. Thank you.

LFC and New Balance New Kit Launch

Well done to Bobbie, Francine, James, Adam and Lillie for representing All Saints at Anfield Stadium for the new kit launch on Wednesday morning. Each of the children received the new LFC shirt and New Balance trainers. They were wonderful representatives of our school and we are so proud of their behaviour and independence.

Numbers are increasing for this new childcare development and we now have plans in place for the May/June half-term which will run from 29th May until 1st June. There will be a full week's camp mirroring many of the activities that currently go on in the Night Owls. More details from Mrs Margie Kelly in the Children's Centre.
