Attendance Policy

June 2016

All Saints is a successful and happy school and your child plays their part in making it so. However for our children to gain the greatest benefit from their education it is vital that they attend regularly and your child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable.

It is very important therefore that you make sure that your child attends regularly and this Policy sets out how together we will achieve this.

Why attendance is important

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts teaching routines so may affect the learning of others in the same class.

Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

Promoting good attendance

Helping to create a pattern of regular attendance is everybody's responsibility - parents, pupils and all members of school staff.

To help us all to focus on this we will:

- Give you details on attendance in our regular newsletter;
- Report to you at least termly on how your child is performing in school, what their attendance and punctuality rate is and how this relates to their attainments;
- Celebrate good attendance by displaying individual and class achievements;
- Reward good or improving attendance through class competitions, certificates, outings/events and an attendance shop
- Run promotional events when parents, pupils and staff can work together on raising attendance levels across the school.

Understanding types of absence

Every half-day absence from school has to be classified by the school (not by the parents), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of each absence is always required, preferably in writing.

Authorised absences are mornings or afternoons away from school for reasons such as illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. It is this type of absence which can lead to the Authority using sanctions and/or legal proceedings and includes:

- Parents/carers keeping children off school unnecessarily
- truancy before or during the school day
- absences which have never been properly explained
- children who arrive at school too late to get a mark

- shopping, looking after other children or birthdays
- day trips and holidays in term time which have not been agreed.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If your child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually make things worse.

Persistent Absenteeism (PA)

A pupil is a persistent absentee when they miss 10% or more of their schooling across the school year **for whatever reason**. Absence at this level is doing great harm and we need parent's fullest support to address this.

We will give priority to any pupil either at the PA level **or at danger of reaching it** and parents will be informed of this immediately so that together we can put a plan in place to get that child back into school. All PA cases are also automatically made known to the Education Welfare Officer.

Absence procedures

If your child is absent you must:

- Contact us as soon as possible on the first day of absence.
- Send a note in on the first day they return with an explanation of the absence.
- Or, you can speak to a member of staff and tell them why your child is or has been off school.

If your child is absent we will:

- Telephone you on the first day of absence, if we have not heard from you.
- Visit your home address after three days absence if we have not heard from you.
- Invite you in to discuss the situation with the Headteacher and or Governors if absence persists.
- Refer the matter to the Education Welfare Officer.

Telephone numbers:

There are times when we need to contact parents about lots of things, including absence, so we need to have your contact numbers at all times. So help us to help you and your child by making sure we always have an up to date number – if we don't then something important may be missed. There will be regular checks on telephone numbers throughout the year.

The Educational Welfare Officer

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. If difficulties cannot be sorted out in this way, the school may refer the matter to the Education Welfare Officer.

The Education Welfare Officer for our school is **Maxine Eyo**, she will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed and unauthorized absences persist, these Officers can use sanctions such as Penalty Notices or prosecutions in the Magistrates Court. Full details of the options open to enforce attendance at school are available from the school or the Local Authority.

Alternatively, parents or children may wish to contact the Education Welfare Officer themselves to ask for help or information. They are independent of the school and will give impartial advice. Their telephone number is available from the school office.

Lateness:

Poor punctuality is not acceptable. If your child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons and can be embarrassing for the child. Lateness can also encourage absence.

How we manage lateness:

School is open from 8.30 am although the school day starts at 8.50 **am**. We expect your child to be in at that time.

Registers are marked by 9.05 **am** and your child will receive a late mark if they are not in by that time.

At 10.00 **am** the registers will be closed – in accordance with the Regulations, if your child arrives after that time they will receive a mark that shows them to be present on site, ***but this will not count as a present mark*** in law and it will mean they have an unauthorised absence. This means that you may face the possibility of a Penalty Notice if the problem persists.

If your child has a persistent late record you will be asked to meet with the Headteacher or Governors to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

Holidays In Term Time:

Taking holidays in term time will affect your child's schooling as much as any other absence and we expect parents to help us by not to take children away in school time.

Remember that any savings you think you may make by taking a holiday in school time are offset by the cost to your child's education.

There is **no** automatic entitlement in law to time off in school time to go on holiday.

All applications for leave must be made in advance and at the discretion of the school a maximum of 10 days in any academic year may be authorised. In making a decision the school will consider the circumstances of each application individually, including any previous pattern of leave in term time.

Please be aware that in line with Local Authority and Government guidance, leave of absence in term time will only be considered in the most exceptional of circumstances.

Any period of leave taken without the agreement of the school, will be classed as unauthorised and may attract sanctions such as a Penalty Notice.

School targets, projects and special initiatives

The school has targets to improve attendance and *your child has or we all have* an important part to play in meeting these targets.

The minimum level of attendance for this school is 96% and we will keep you updated regularly about progress to this level and how your child's attendance compares to this level.

Our target is to achieve better than 95%. We are aiming for this level because that is the attendance needed for pupils to achieve the best from their schooling and we believe we can achieve this and be amongst the best attended schools in the city.

Through the school year we monitor absences and punctuality to show us where improvements need to be made.

Information on any projects or initiatives that will focus on these areas will be provided in our newsletter and we ask for your full support.

Summary:

The school has a legal duty to publish its absence figures to parents and to promote attendance. Equally, parents have a duty to make sure that their children attend. School staff are committed to working with parents as the best way to ensure as high a level of attendance as possible.
