Our school is called All Saints Catholic Primary School. It is part of our All Saints parish community.

Here is a picture of our school . It has lots of children inside who are looking forward to becoming friends with you.

Here are the doors that you will use to come into our classrooms. Your teachers will be there to greet you every day to say "Good morning!"

This is your red school bag.
You need to bring it to school
every day so that your
teachers can send messages
to your home.

This is where you hang your coat and bag. You will have your very own peg with your name on it! Can you read your own name?

We will all have places to sit on our class carpet. This is where your teachers will teach you new things. We will read stories, sing songs and play games together.

Here are the toilets. There is one for the boys and one for the girls. Be sure to ask an adult before you go!

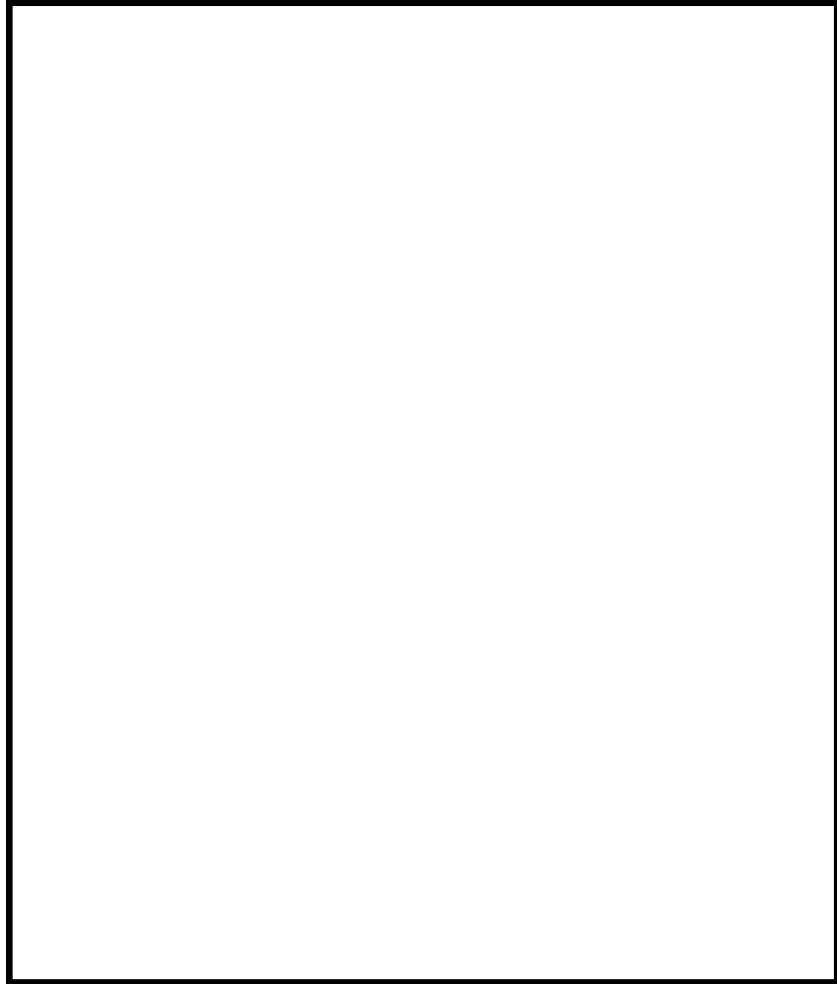

We all eat our lunch together in the hall. We walk through the corridors quietly like little mice. Here is the dinner hall. What's your favourite food? There are hot and cold meals available!

In Reception we do lots of learning outside! We play in the sunshine and in the rain. There is plenty to enjoy outside!

Can you draw a picture of
yourself on your first day of
school?

Your teachers are very happy
to have you in their classes
and they can't wait to meet
you!
