Lenten Events

During this Lenten Season we have a variety of events that will be happening to raise funds for local charities and CAFOD as well as to raise awareness of how we can give back to others and the world around us. Please take note of the following events for your calendars, more information to come!

Big Lent Walk - Daily throughout Lent

Friday 15th March - Go Green Day

Tuesday 19th March - EYFS/KS1 Lenten Trail

Wednesday 20th March - KS2 Lenten Trail

Tuesday 26th March - Lenten Bazaar

Wednesday 27th March - Easter Bonnet Parade (KS1)

Lenten Bazaar

On 26th March our school will be hosting a Lenten Bazaar! The bazaar is a marketplace where we will be hoping to fundraise as much as possible for CAFOD but we need your help! We are looking for family or friends of All Saints who are willing to donate time, resources or talents to help support us in this cause. Do you:

Have items that could be donated as raffle prizes?

Have a talent for baking and would like to contribute to our baked goods stall?

Have crafts or other items that you could sell at your own stall - donating a percentage of your profits to our charitable cause?

Have used books that you could donate to a book sale stall?

Have gently used toys that could be donated to a toy stall?

Have time to give to help run a stall at our bazaar on 26th March after school?

If so, please email Mrs Dunn

j.dunn@allsaintsanfield.co.uk to discuss ways that you can get involved!

Lent Masses

During Lent our children will be going to church on Wednesdays at 9.30am. We continue this coming Wednesday with Year 4.

Big Lent Walk!

All Saints is joining hundreds of other schools who are coming together to have fun, be active and raise money for our brothers and sisters experiencing poverty around the world, taking part in the Big Lent Walk.

As a school we will be embarking on a mission - to walk 200km throughout Lent! We will be doing this in Key Stages from Nursery to Year 6 and will be building up the miles daily around our school ground. This is a huge challenge for us and we have pledged to not give up! We will be walking or running together every day, rain or shine and will keep you all posted through SeeSaw, Twitter and our school Newsletter. We have created a Just Giving Page for our endeavour and we are asking you to donate and share! Donations will go to CAFOD and we are hoping to make a huge difference this Lenten Season! Thank you in advance for your generosity! Our JustGiving page has been shared with you via SeeSaw or you can click here: [All Saints Big Walk](#) Check it out!

Attendance

Attendance for this week is 94.3%. Congratulations to the classes who achieved 97% target this week! Well done to Hive 3 with 100%, 2MG with 98.9% and 3S with 97.7%.

Our spring Wheel of Fortune incentive starts Monday 4th March and will run until 22nd March, any child with over 97% will be entered into the 'Wheel' and any child who gets 100% in this time period will go on twice!

It is important that your child is on time for school each day, so that they get the benefit of a full day's education. The school gates are open from 8.30am - children should be in class by 9.00am for register. A reminder that holidays during school time are not authorised whatever the circumstances and a local authority fine will be issued. 2024/25 holiday cards have been sent home. The updated holiday dates are also on the website.

If you are taking your child out of school during the school day, you must show a letter/email/ appointment card. Please do your best to make appointments outside of school hours.

PE Kits

We have had a small delivery of the new PE kits. They will be on sale from the school office after 10.00am and after school. We would ask that you avoid the office's busiest times. Thank you!

Transport and Parking

We continue to receive complaints from parents and neighbours about anti-social parking at school, particularly on Oakfield. Whilst we await the road closure, we are now planning for patrols to check on this at peak times. Why not get into the spirit of the Big Lent Walk by walking to and from school? Many of you do, and I'm sure you agree it's so much nicer. Thanks everyone for your cooperation.

A letter was sent home earlier this week giving details of a consultation with residents about a School Street Project led by the City Council. This will restrict access for traffic during the hours of 8.30am to 9.00am and 2.30pm to 3.30pm.

Stranger Danger

Please remind your child to be aware of potential dangers from strangers on the way to and from school.

After School Clubs

There are lots on – please consult the timetable in this newsletter. Thank you to all the staff who give up their time to provide these opportunities.

Prayer and Liturgy

Jesus: Bread of Life The Eucharist

I am the bread of life

John 6:35

This week's theme is 'Jesus: Bread of Life The Eucharist'.

Gospel

John 6:35.37.51.60.67-68

Jesus sometimes said things that people found hard to understand.

One day he said, "I am the bread of life. Anyone who becomes my friend will never be hungry. Anyone who trusts in me will never be thirsty. I will never send away from me anyone who wants to be my friend.

Anyone who trusts in me will find out what life really is. I am the living bread which comes from God. Anyone who has this bread for food will learn the secret of life that cannot be taken away. The bread I give is my life. I give it to be the life of the world." Many of Jesus' disciples did not understand this. They went away. Jesus asked the twelve he had chosen, "Will you also go away?" Peter answered, "Who else could we go to? You are the one who has shown us what life really is, the kind of life that cannot be taken away."

Where does bread come from? Bread is made with flour which comes from wheat which has been ground and milled. At the bakery it is mixed with yeast to make it rise, before it is baked and sold.

How did Jesus describe himself to the people? Jesus described himself as the 'Bread of Life' which had come down from Heaven. Whoever ate this bread would share everlasting life with God at the end of time.

Did the people understand what Jesus told them? Some thought that Jesus wanted them to eat his very flesh; others were confused because Jesus had told them that he had come down from heaven, yet they knew that he was the son of Joseph and Mary; others were confused because he offered them the gift of eternal life and they did not understand how this could happen.

Do you find what Jesus said a little confusing? Sometimes when we find something confusing or we do not understand, it becomes clear after we have listened carefully from the very beginning through to the very end. We know the end of today's story because we know what Jesus gave to his friends at the Last Supper. What did Jesus do with the bread and wine at the last supper? Jesus changed them into his own body and blood. Through the power of the Holy Spirit they became Jesus himself, so that he could share himself in a very special way with his apostles.

How does Jesus share himself with us today? At the offertory, we bring bread and wine to be changed through the power of God, into the body and blood of Jesus. We do not understand how this happens, but we believe it because we know that nothing is impossible for God. We receive the body and blood so that we can share in Christ's life and become more like Jesus. It nourishes and feeds us, making us grow stronger in goodness and love.

Jesus said, 'Whoever eats the Bread of Life will live forever.' What did he mean? We know that Jesus died and rose from the dead at Easter. The power of God is so great that he can raise someone from the dead to new life. Jesus promised that if we eat the bread which he gives, the gift of himself, then he will fill us with his life, and at the end of time we will rise from the dead to live with him forever in heaven.

Jesus,
You are the Bread of Life
and I believe that you are really present
in the Eucharistic meal we share.
Fill me with your life
and make me become more like you.
Amen.
